

## **Environmental History Now Coffee Chat**

15:00 - 15:30 Tuesday, 5th July, 2022

B.H05 LT Woodland Road

Chair Elizabeth Hameeteman

Environmental History Now (<https://envhistnow.com>) is a 100% independent, volunteer-run platform to showcase the environmental-related work and expertise of graduate students and early career scholars who identify as women, trans and/or non binary people - and the recent winner of the ASEH's 2022 Public Outreach Project Award. Come meet and grab a coffee with some of the people behind the initiative!
